

**Superior Court of the Commonwealth of Massachusetts  
County of Middlesex**

**Walter Tuvell**

836 Main St.  
Reading, MA 01867

*Plaintiff, Pro Se*

v.

**Jack Marshall**

2707 Westminster Place  
Alexandria, VA 22305

*Defendant*

Case № 1781CV02701

**NOTICE OF APPEAL**

**NOTICE OF APPEAL**

Pursuant to MRAP<sup>1</sup> 3(a), Plaintiff hereby files this Notice of Appeal from the Court's Memorandum and Order allowing Defendant's Motion (and Memorandum) to Dismiss.<sup>2</sup>

---

<sup>1</sup> Massachusetts Rules of Appellate Procedure, <https://www.mass.gov/law-library/massachusetts-rules-of-appellate-procedure>.

<sup>2</sup> According to the Clerk's Notice (which was issued on Aug 17, mailed by U.S. Mail on Aug 20, received by Plaintiff on Aug 22), the Memorandum and Order was entered into the docket on Aug 13. That single-page Notice referred to a "scanned document" (apparently comprising the "full Decision and Order"), which was *not* made available to Plaintiff in any manner (either by U.S. Mail, or electronically). Plaintiff thereupon telephoned the Clerk's office on Aug 22, which belatedly agreed to mail him a copy of the "full Decision and Order" (which has not yet been received by Plaintiff as of this writing {TBD right?}).

**SIGNATURE; VERIFICATION**

Respectfully submitted, and signed, under the pains and penalties of  
perjury:

Walter Tuvell, *Pro Se*
