

Subject: Filing

From: Walt Tuvell <walt.tuvell@gmail.com>

Date: 11/15/18, 11:59 AM

To: Jack Marshall <jamproethics@verizon.net>

See attached, filed today.

As you know, the Transcription was filed long ago (on Sep 24), but for some reason the clerks decided they wanted some extra assurance that I'd informed you about (even though I'd already complied with all the published rules of court). This filing satisfied them, so now they're going to proceed to "assemble" the record.
