Hello again —

I wrote to you yesterday (email included below). **Yet, you have not acknowledged receipt. I need you to do that.** If you do not, I'll be forced to send you a Certified U.S. Mail letter, to guarantee receipt. You don't really need to force me to do that, do you?

Additionally, I have today seen the following on your website (<https://www.ignet.gov/content/frequently-asked-questions>):

IGs also must report:

- Any unreasonable refusal within the agency to provide information to the agency head, or
- Suspected violations of Federal criminal law to the Attorney General.

Clearly, my Complaint(s) (against Federal Judges, U.S. Attorney Andrew Lelling, EOUSA, and potentially others as time goes on) — as outlined on my website (see the Complaint letter I sent you yesterday) — are **"suspected" Federal Crimes** (actually, **proven crimes**, given that I've been begging all along for a disproof, but none has been forthcoming, hence none exists). Yet, insofar as I've been able to determine, the DOJ OIG has not reported my Complaint(s) to the AG. Furthermore, you yourselves (CIGIE IC) are now under the same obligation to report to the AG. **I trust you'll do so (or else, prove to me why I'm wrong).**
