As you (CRM) know (if you were to seriously review the matter), you yourselves are wholly criminally negligent here. I have diligently followed all laws/rules/regulations/advice from all "authorities," but nobody has responsibly responded. All I've received from you (all branches of U.S. govt) are lies/stonewalling/gaslighting. You have not responded properly to a single point I've made — and particularly not to the two Smoking Guns posted at <https://judicialmisconduct.us/CaseStudies/WETvIBM>, which are blatantly/outrageously criminally illegal (Obstruction of Justice, by judges).

Rot in hell, you motherfuckers.

Dear Mr. Walt Tuvell,

Thank you for writing to the Public Integrity Section. We have been asked to respond to you on their behalf. Also, we regret the delay in response to your complaint.

Any future correspondence with this office regarding this same matter would be unnecessary. We urge you to review the previous responses sent by our office which we have enclosed a copy of for your convenience.

Again, thank you for writing the Public Integrity Section. We regret we cannot be of further assistance.

Sincerely,

Correspondence Management Staff

Subject: Criminal Complaint against Federal Judges

Hello, Criminal Division —

I have exchanged emails with you previously (that correspondence is available at <https://JudicialMisconduct.US/sites/default/files/2017-04/CRIMDIV.pdf>).

Events since that time have progressed (though everything still remains within the standard 5-year federal statute of limitations). In particular, I have refined my complaints, and have now specifically identified the federal crimes that have been committed against me.

Therefore, **I have now renewed my Criminal Complaints**, as of May 15 2019. And I am **hereby pleading with** you to get involved in this matter NOW. (Actually, you should have heard about this already, since I've recently been conversing with DOJ/FBI/PIN/OPR/EOUSA, via U.S. Mail.)

Everything you need to know (**full documentation**, including an overall story/narrative, official filed court documents, and recent U.S. Mail letters) is **available on my website**. You should start reading at the most recent entries (since May 15), at <https://JudicialMisconduct.US/CaseStudies/WETvIBM#dojfbipinproceedings>.

I expect to be hearing from you SOON.
