Jack —

I've been following your website (<https://ethicsalarms.com>) since I "discovered" it a couple of months ago. Its About page is especially lucid and luring.

The problem is, your posts don't live up to the About advertisement. Specifically, the About page speaks only about whole-life ethics (a very laudable goal, what I was looking for), but says nothing about partisan/political rants. Yet, it seems like that's what the website does, and only that. Further, everything you say appears to be entirely one-sided (right/conservative/republican is good, left/liberal /democrat is bad).

Is that the way you really see things? Or am I missing something?

Thx.

Typo on the Subject line (sorry): It should read "I can't figure you out".
