This is to advise you that I have today (Aug 29 2018) submitted to the Judicial Conference a Petition for Review of the Seventh Circuit's handling of Judicial Misconduct Complaint No. 07-18-90037. It is available at <http://judicialmisconduct.us/sites/default/files/2018-08/JConfPetition%3DWood.pdf>, and is also attached hereto. (I have also submitted it via U.S. Mail, and also by webform.)

PLEASE ACKNOWLEDGE RECEIPT OF THIS SUBMISSION! (I emphasize this, because I've had problems with such notifications-of-receipt in the past.)
