Re: V&E Medical Imaging Services v. DeCoursey, et al.
Letter of Agreement

The continued existence of a free and democratic society depends upon recognition of the concept that justice is based upon the rule of law grounded in respect for the dignity of the individual and the capacity through reason for enlightened self-government. Law so grounded makes justice possible, for only through such law does the dignity of the individual attain respect and protection. Without it, individual rights become subject to unrestrained power, respect for law is destroyed, and rational self-government is impossible

A lawyer, as a member of the legal profession, is a representative of clients, an officer of the legal system and a public citizen having special responsibility for the quality of justice...

As a public citizen, a lawyer should seek improvement of the law, access to the legal system, the administration of justice -- Washington Rules of Professional Conduct

In consideration of the above, to ensure the administration of justice will not be impeded in this case by Windermere attempting to prevail by the muscle of the purse and to ensure "equal justice under law," and in consideration of the following:

That, of the sum of \$275,000 that is presently in your Lane Powell trust account, you agree to disburse to Lane Powell the sum of \$200,000. The remaining \$75,000 will be disbursed to you.

LANE POWELL PC agrees to forbear for a reasonable time on collecting the balance and will assist you in your motion for attorneys' fees and costs of the suit as well as collect on the outstanding judgment against Windermere and Stickney in the current amount of \$522,200 and other associated judgments that arise from this matter. LANE POWELL PC will also assist you regarding possible appeals with regard to the same as necessary to prevail in or retain the awards discussed. Our discussions also described other terms, which include:

- DeCourseys will pay the litigation vendors.
- DeCourseys agree that Lane Powell's fees were honestly derived, and were necessarily incurred in this litigation given our opponent's strategy. DeCourseys agree that they remain responsible for paying the remaining balance and any additional costs incurred in briefing and arguing the attorneys fees motion, filing amended judgments, and future services relating to the collection and enforcement of the jury verdict.
- If there is an opportunity, the DeCourseys agree to negotiate settlement with judgment creditors in good faith. Lane Powell agrees that the determination of what is "reasonable" in a settlement offer will be made by the DeCourseys.
- LP will be paid first out of any settlement proceeds or payment of any judgment.
- LP will assist in the any appeals and judgment collection actions, and LANE POWELL PC will have discretion in the staffing for such work.

Except as otherwise stated herein, nothing in this letter agreement alters or amends the terms of agreement between DeCourseys and LANE POWELL PC as provided in the letter of engagement.

LANE POWELL PC
