NOTICE OF DOCKET ENTRY

The brief and/or appendix that you recently submitted through e-filing has not been accepted for filing. Please see the FAQs section on the Appeals Court's website for guidance regarding how to properly format e-filed briefs and appendices. See <http://www.mass.gov/courts/court-info/appealscourt/efiling-appeals-faq-gen.html>

The brief and/or record appendix was non-conforming with the rules as itemized below: (compare the following items to its matching number on the following list for a description of the issue)

Notice of rejection of e-filed brief/appendix of Walter E Tuvell as noncompliant for the reasons indicated on the checklist: 3, 27 (missing both the items required in Rule 16(a)(6) and 16(f)), other: page 26 of the brief contains an image described in footnote 30 as a cartoon, and not apparently included in the record. Such an image is not permitted to be included in the argument section of the brief by the Rules of Appellate Procedure. Accordingly, on or before 01/07/2019, you must correct the above-listed nonconformities and submit a conforming brief and/or appendix or may file a motion to file a non-conforming brief.*Notice sent.

1. The brief, addendum, and certificates of service and compliance must be combined and submitted as a single PDF.
2. The appendix must be filed as a separate PDF from the brief/addendum/certificates.
3. Each PDF containing a brief or appendix should begin the cover at page one and all subsequent pages within the PDF should be numbered consecutively, including the table of contents and table of authorities. That way, the page numbers on the document will match the page number displayed in the PDF reader software.
4. For appendices that are more than one PDF or multi-volumed, each volume shall be designated by a roman numeral on the cover (Volume IV of V) and shall be separately paginated beginning with the cover as page one. All subsequent pages should be numbered consecutively, including the table of contents. Do not continue page numbers across multiple volumes. The first volume of the appendix shall include a complete table of contents referencing all volumes of the appendix, and each individual volume shall include a table of contents for that volume.
5. It is unclear why the relatively short appendix was split into multiple PDF volumes. If necessary, please consult our user

guide for creating smaller PDFs for e-filing.
