COMPLAINT ABOUT DOJ OIG

This letter registers a **Complaint** with you — the Council of the Inspectors General on Integrity and Efficiency (CIGIE) Integrity Committee — pursuant to your statutory mandate (as expressed at <https://www.ignet.gov/content/integrity-0>), thusly: **I hereby allege “wrongdoing” by the DOJ OIG.**

BACKGROUND

We need not spend any time here on **general background**, because everything is already **fully available** (narrative story, plus official documentation, plus the communications/letters cited *infra*) on my **website** <https://JudicialMisconduct.US>,¹ and more specifically on the **webpage** <https://JudicialMisconduct.US/CaseStudies/WETvIBM>. **You must familiarize yourself with that website/webpage in order to understand my instant Complaint.**

1 • For example, the instant letter is available on the website, at <http://JudicialMisconduct.US/sites/default/files/2019-08/CIGIELetter.pdf>.

FOREGROUND

Given that background on my website (*supra*), the **specifics of the instant Complaint** may be found in the **stream of recent communications/letters**, beginning on May 15 2019 and continuing until the present (and beyond), located in the webpage section at <https://JudicialMisconduct.US/CaseStudies/WETvIBM#dojfbipinproceedings>.

In those communications (which you must review in detail!), you will see that I have made serious (and valid) criminal complaints against Federal Judges (and others). Yet, the authorized officials at DOJ (and elsewhere) — in particular FBI and PIN — refuse to take appropriate action, i.e., official investigation (or even acknowledge my complaints at all!). I have complained to DOJ OIG about this, but it also refuses to take appropriate action, i.e., prod FBI/PIN into action (or even acknowledge my complaints at all!).² **This is the wrongdoing of which I complain.**

CONCLUSION

I keep repeating this, and you (all sworn/“trusted” government agencies/authorities) keep ignoring it: if anyone really wants to “solve” this case once-and-for-all (absent taking serious action on my complaints), he/she can do so very easily, merely by concisely explaining — *truthfully* — why my Complaint of judges’ criminality lacks merit. **If I’m wrong: simply state/prove why! Stop stonewalling/gaslighting/doubletalking/obfuscating/covering-up/lying!!**

2 • To clarify: DOJ OIG has indeed acknowledged/replied about my *secondary* complaint concerning U.S. Attorney Andrew Lelling, but has said/done nothing about my *primary* complaint against Federal judges. And even so, DOJ OIG’s response to the Lelling complaint was to “pass the buck” to DOJ EOUSA, which then in turn responded with lies/stonewalling/gaslight — conjecturally just as DOJ OIG expected.

VERIFICATION; SIGNATURE

Signed under the pains and penalties of perjury:

A handwritten signature in blue ink that reads "WETuvell". The letters are cursive and somewhat stylized, with the "W" and "E" being particularly prominent.
