My error, should
read DOJ, not FBI.

Hello, Criminal Division —

I have exchanged emails with you previously (that correspondence is available at <https://JudicialMisconduct.US/sites/default/files/2017-04/CRIMDIV.pdf>).

Events since that time have progressed (though everything still remains within the standard 5-year federal statute of limitations). In particular, I have refined my complaints, and have now specifically identified the federal crimes that have been committed against me.

Therefore, **I have now renewed my Criminal Complaints**, as of May 15 2019. And I am **hereby pleading with** you to get involved in this matter NOW. (Actually, you should have heard about this already, since I've recently been conversing with DOJ/FBI/PIN/OPR/EOUSA, via U.S. Mail.)

Everything you need to know (**full documentation**, including an overall story/narrative, official filed court documents, and recent U.S. Mail letters) is **available on my website**. You should start reading at the most recent entries (since May 15), at <https://JudicialMisconduct.US/CaseStudies/WETvIBM#dojfbipinproceedings>.

I expect to be hearing from you SOON.
